

# DIGITAL PRESSURE GAUGE 3"

## DPG3000

**Pressure Unit Choices Available: psi–Bar–MPa**  
**9V-DC Battery Power with Auto-Off Function**  
**Zero Offset**  
**LCD Digital Display**  
**ISO 9001**

The New-Flow DPG3000 Digital Pressure Gauge offers  $\pm 0.5\%$  full scale accuracy, while SS316 wetted part provides a variety of applications in media of fluids and gases for the industrial field and the commercial field.

### Technical Data

**Accuracy:**  $\pm 0.5\%$  of full scale  
**LCD Display:** 30X 14.5cm, with 4 digits  
**Dimension:** 3", H11.5 X W4.5cm  
**Operating Temperature:** -10 to 60°C  
**Over Pressure:** 2 times of F.S.  
**Process Connections:** 1/4" NPT Male, standard  
**Connection Material:** SS316  
**Multiple Pressure Limit:** Psi, Bar, MPa  
**Response Time:** <1 ms  
**Total Error (Typical):**  $\pm 1.00\%$   
**LCD Resolution:** XX.X1/X.XX1/XXX.1

Pressure Range	Accuracy	Resolution		
		PSI	Bar	MPa
100 PSI	Tpy. $\pm 0.5\%$ F.S.	0.01	0.001	0.01
500 PSI	Tpy. $\pm 0.5\%$ F.S.	0.1	0.01	0.01
1000 PSI	Tpy. $\pm 0.5\%$ F.S.	0.1	0.01	0.1
3000 PSI	Tpy. $\pm 0.5\%$ F.S.	1	0.1	1

### Applications

Refrigeration Systems	Gas Dynamics
Level Systems	Sequencing Control
Flow System	Control & instrumentation
Pump	Agriculture
Cylinder Valve	Car industry
Water Sprinkling System	Heating, Ventilation, Air Condition (HVAC)

### Ordering Information

DPG3000	Code	Pressure Range		
↓	1	100psi		
	5	500psi		
	10	1000psi		
	30	3000psi		
↓		<b>Code</b>	<b>Connection port</b>	
		U	1/4"NPT (standard)	
		S	Customized	
↓		<b>Code</b>	<b>Type</b>	
		A	9V DC Battery
